

# **BRIDGESTONE**

## **RACING ACADEMY**

*racing schools · corporate events · mechanic training*

## **Reynard Formula 2000 Race Car Fitment**

**If you are over 6'2" in height or over 220 lbs in weight, you may not fit a Formula 2000 Race Car. However, we have had people 6'6" in height fit.**

### **Suggested Maximum Measurements:**

**Inseam Length—39"**

**Chest—46"**

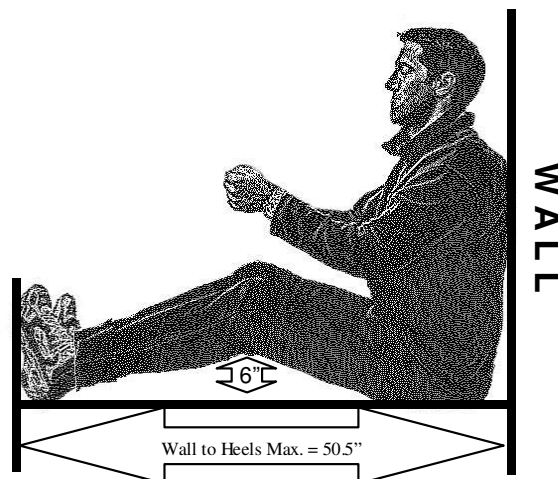

**Torso Length—41"** (Measured sitting, from seat to top of head)

**Shoulder Width—20"**

**Please Note: These are suggested maximums.**

**If you are close to any of these measurements please give us a call.**

**Everyone fits differently.**
